

- Search.creativecommons.org/
- Send site to the home screen on the iPad
- Students can access Creative Commons site
- Search for an image, by entering your search query in the space provided
- Press and hold on the image to send to camera roll

Please note that search.creativecommons.org is *not* a search engine, but rather offers convenient access to search services provided by other independent organizations. CC has no control over the results that are returned. *Do not assume that the results displayed in this search portal are under a CC license.* You should always verify that the work is actually under a CC license by following the link. Since there is no registration to use a CC license, CC has no way to determine what has and hasn't been placed under the terms of a CC license. If you are in doubt you should contact the copyright holder directly, or try to contact the site where you found the content.
